From the pen of the Secretary . . .

In the notice of the forthcoming Annual General Meeting that was given last month, there was an omission that is being corrected in this issue.

As Mr F L Wolfs was elected by the Committee to the position of Vice-President after the Annual General Meeting, it will be necessary for him to stand down . Accordingly the Nomination form has been amended as well.

A plan has been developed for the improvement of the bar, which is being printed elsewhere in this magazine. Your comment before implementation will be appreciated.

Your Management Committee has pleasure in advising that Membership was granted to the following applicants:

Mrs M Dielesen	of Doubleview
Miss Y van Namen	of South Perth

We welcome them all and trust that they will enjoy the facilities provided at the Clubhouse.

THE DUTCH BUTCHERS

John Otis took over the business on the 1st April, 1980 from the Klashorst family. It took John about 3 months to re-organise and rebuild the business to the way he liked it. He put in new machinery to produce even better quality products. Currently, he is selling more than 50 different lines from which 15 are exclusive Dutch lines, like rookvlees, hamspek, rosbeef etc. John supplies hotels, supermarkets, delicatessens and dutch vendors. Customers have the opportunity to phone through their order. Customers who live north of the river can pick their order up from the shop in William Street, Perth next to Uncle Domenics. This is where John still has his butchers to serve retail customers.

John learnt his trade in Holland where he became a qualified butcher, he worked in Den Haag and Scheveningen. It is his experience that we find back in his smallgoods, which have a real continental taste. Of course, John can't do all the work by himself, so

John has a large range of Dutch articles which include bruine bonen, witte bonen, capucyners, large variety of Sleutels brand Andivie, snybonen, roodekool, boerenkool, spinanie, goudranetten appelmoes, lof, zuurkool, 3 different kinds of worteltjes, zure haring, zoute haring, gerookte aal, koekjes, appelstroops, there are too many lines to mention them all.

For anybody who likes to spoil themselves go to the Dutch Butchers and say hello to John and support our advertisers.

From your roving reporter
Frank Indrisie

When batches of Canaries are housed together it is usual to allow three hen birds to each cock bird. This prevents undue fighting and the birds will usually manage to raise a number of vigorous chicks each year. Fit healthy stock are quite hardy and can stand cold winters without additional heat, providing they have dry and draught proof sleeping quarters. Fresh water must be supplied every day and birds have been known to have a bath, when they are given fresh water, even though the temperature is well low. The actual size of the pen or large cage depends on the number of birds that are to be housed in comfort. On no account should there be any attempt at squeezing too many birds together. If so, the happy contented state of birds will be badly upset.

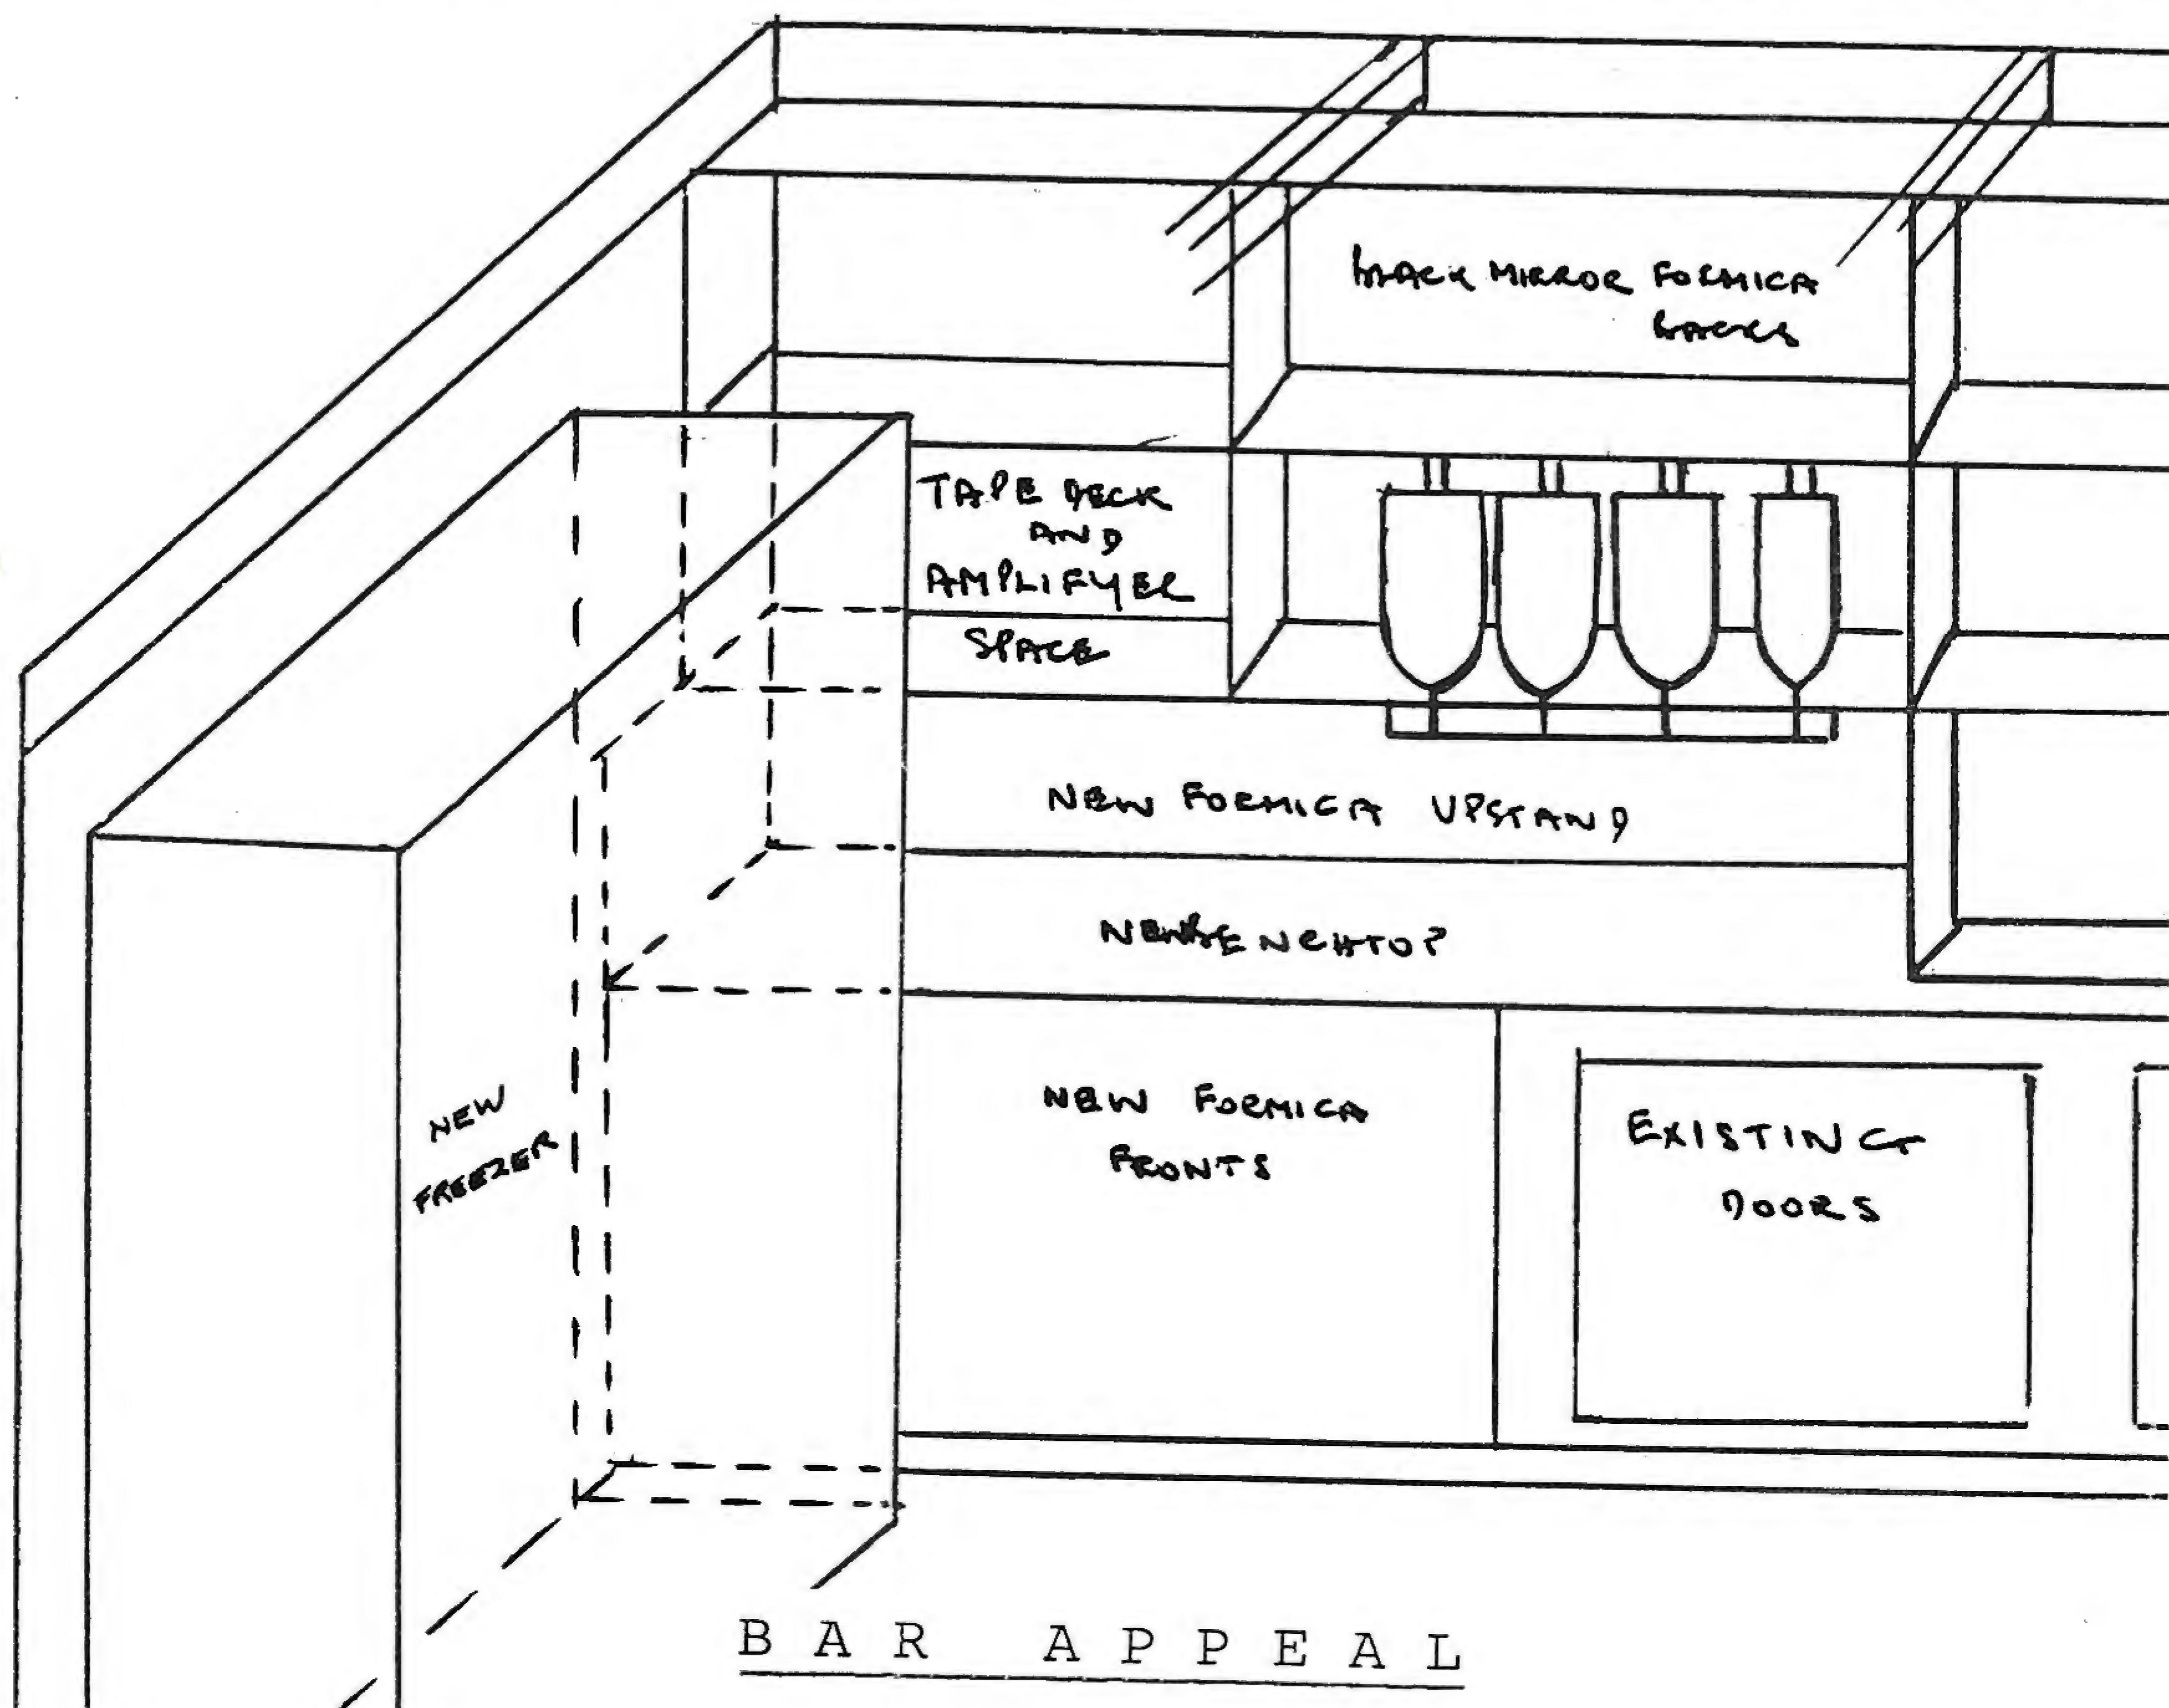

Whether one has a single pet, a small pen or an aviary of Canaries they all need the same feeding arrangements. They must be provided with a good seed mixture of canary seed and sweet red rape as their diet, and you will keep fit and healthy birds. In addition to the standard mixture of bird seed canaries will benefit periodically having some mixed wild seeds, perhaps once a week.

Suitable canary green foods - Shepherds Purse Seeds, Marram Grass Seed, Sowthistle, Plantain, Young Dandelion Leaves.

When supplying the birds with greenstuffs, care should be taken to see that it is fresh and clean and not fouled in any way. Wash well under running water and then partially dried before giving it to the birds.

Quite often people who are not very familiar with different colours and colour patterns of canaries think that when they see a green and yellow, or cinnamon and yellow canary, such birds are the result of crossing canaries with other birds. In most cases this assumption is incorrect and the bird in question is not just one of the veritable breeds but in fact a pure canary. However there are numerous birds that are bred each year from crossings of a canary and one of the finches, such as the Goldfinch, Linnet, Greenfinch or Bullfinch.

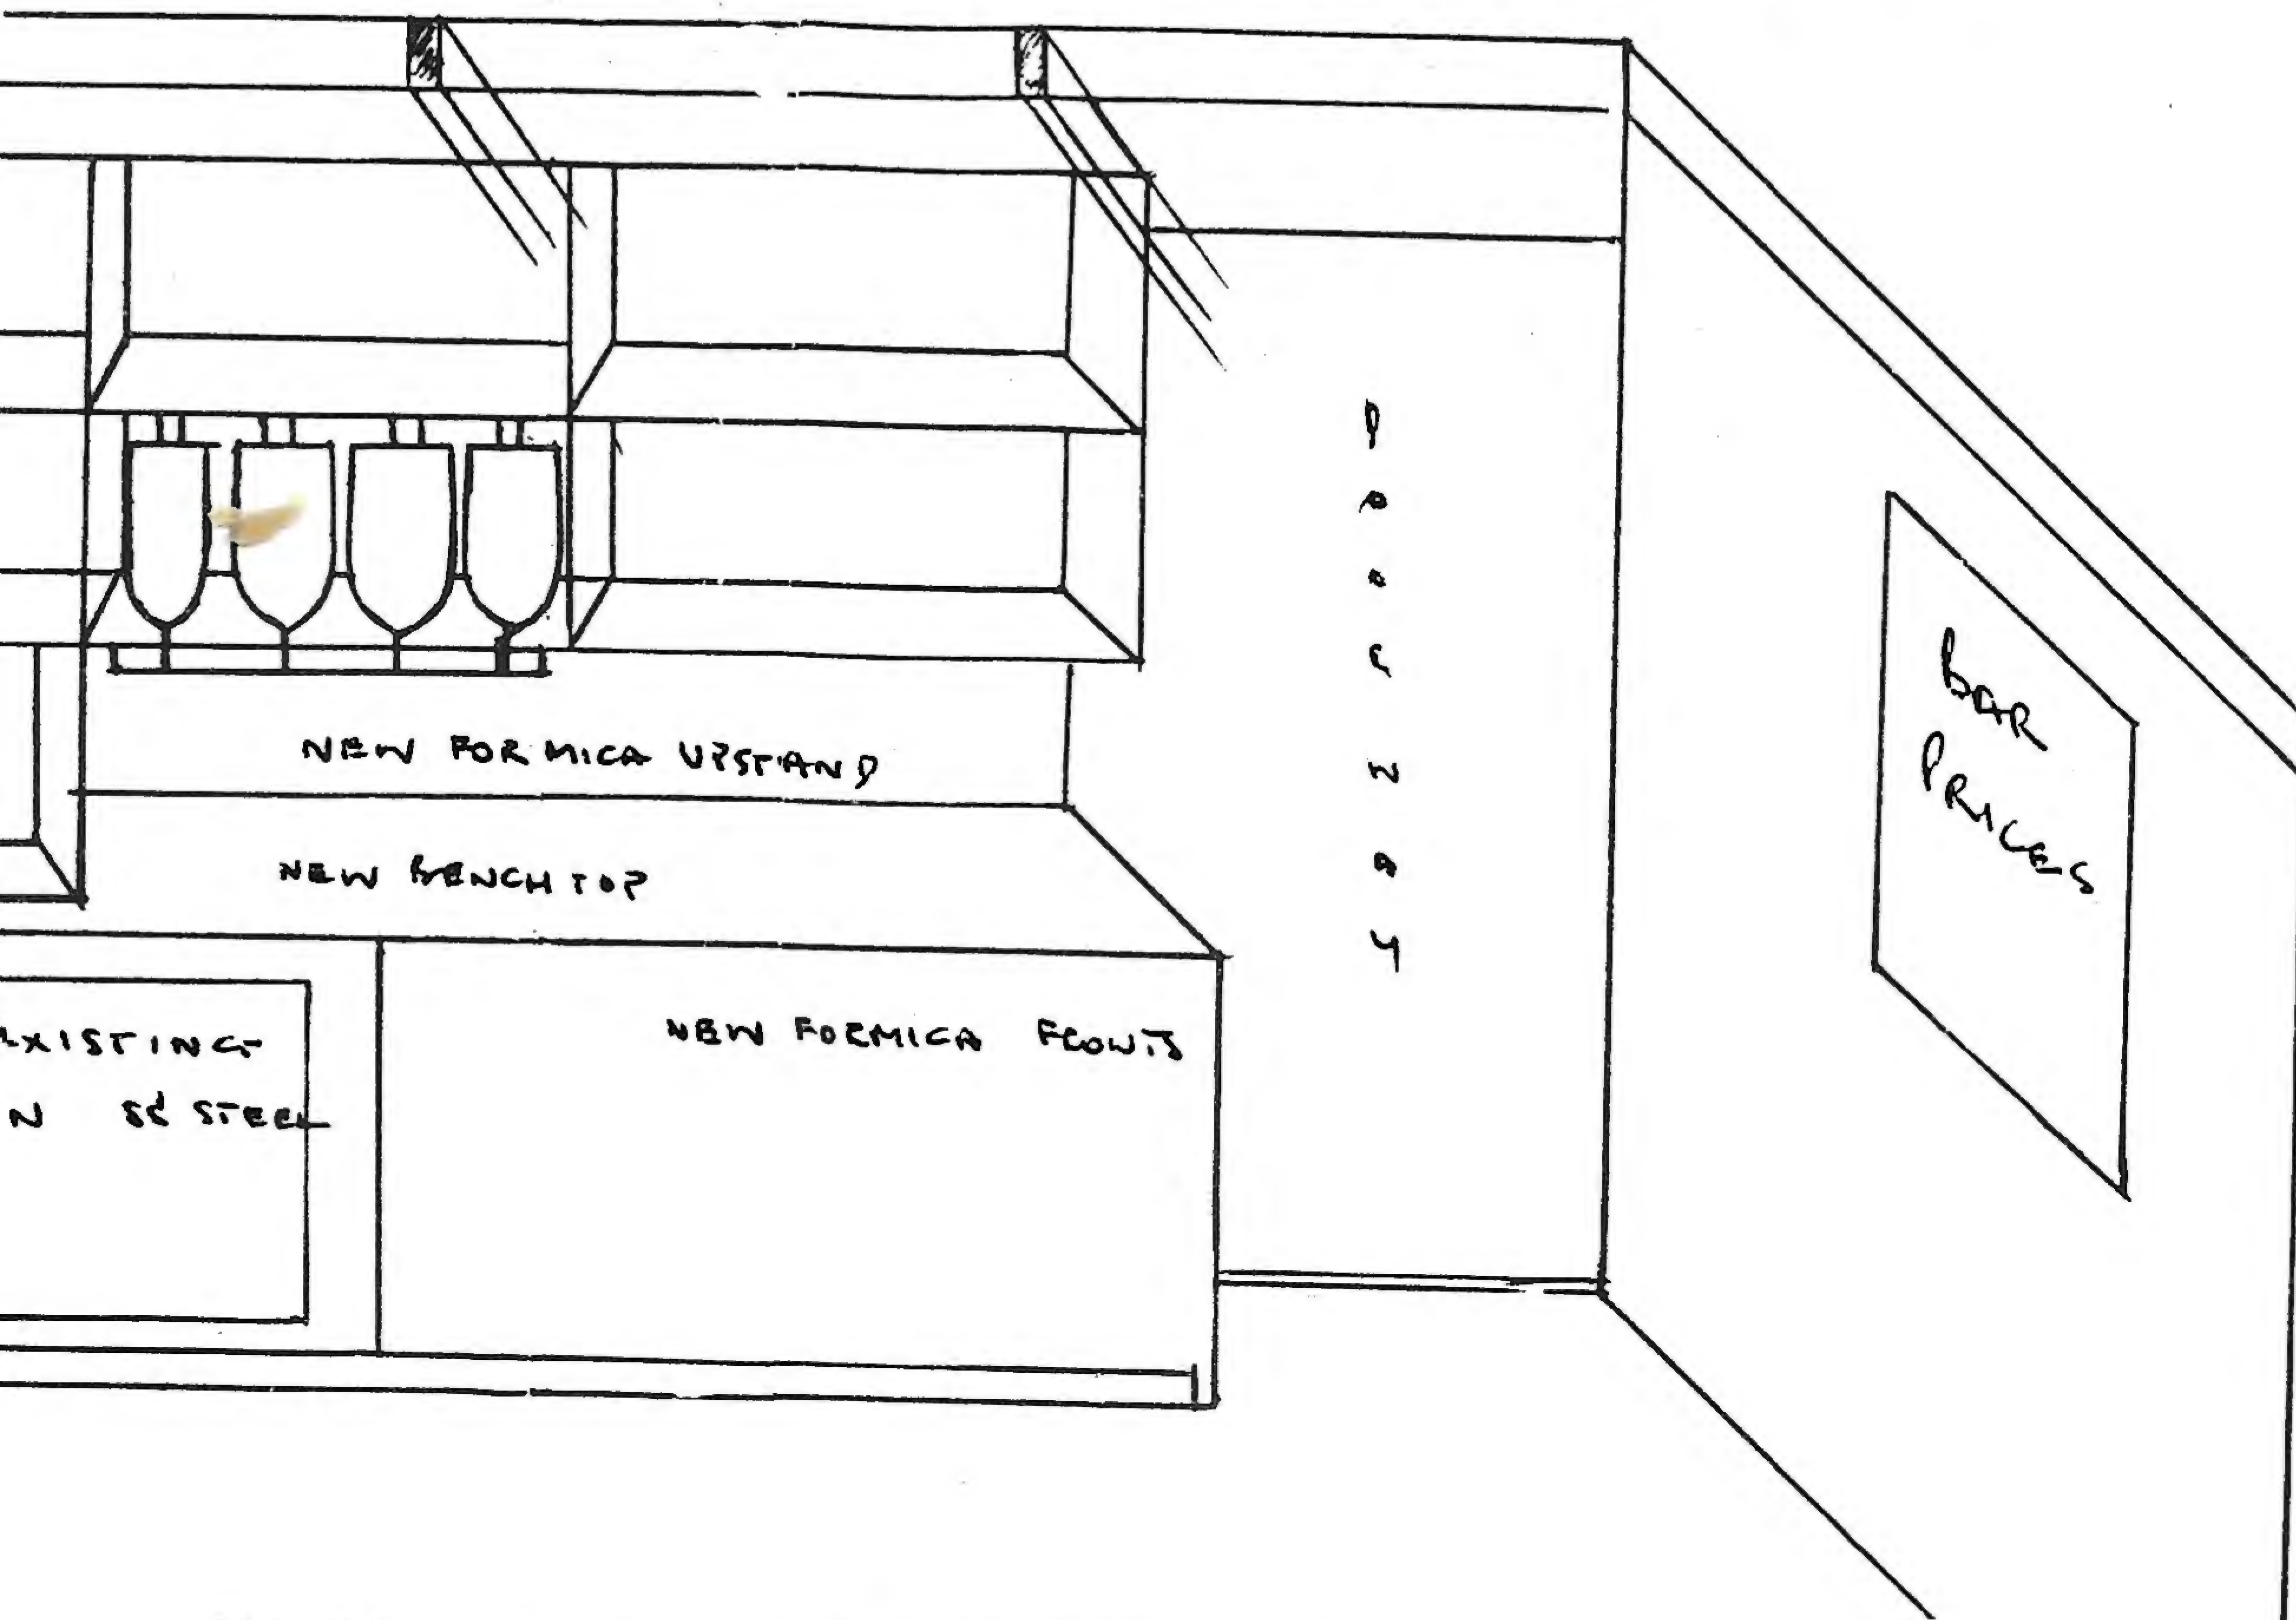

APPEAL for alterat

The Committee has decided to up-date the bar to make it more attractive, give a better and faster service and make it more feasible for people who work there.

As you can see from the lay-out drawing the bar will have an enclosed roof with ventilation and fan. There will be shelving, black mirrors on the back wall, 2 sets of 6 liquor dispensers, the existing freezer will be recovered by formica (laminex) and a display fridge which will hold a large assortment of wines, etc. The total cost is expected to be around \$4,000, this price includes the display fridge which is approximately \$2000. A donation of \$2,000 from the Shindig Club was given for the music, car park and up-dating of the bar, of which approx. \$700 will go towards the bar. (Cont'd next page.)

ions to NEW BAR!

We therefore, need our members' support by donating to the Bar Building Fund. There will be a donation box on the bar and any amount of money will be welcomed. Donations over \$5 will have the option of having their name acknowledged in the magazine together with a progress report on the bar. So, please put your hands in your pockets as we need your donation urgently in order to start work on the bar. Donations can be put in an envelope marked "Bar Building Fund" and left at the bar or sent to The Secretary, Mr. E. Baggen, Neerlandia Clubhouse, 230 Cambridge Street, Wembley.

Thanking you in anticipation for your support.

Birds resulting from these parents are known generally as canary mules and they are mostly sterile. Mules are usually bred for exhibition purposes with the main aim of achieving either a clear yellow like a canary but with the finch shape and characters, or a wholly dark bird showing a paler finch colour pattern and shape. This results of course, in a large number of mules being bred with broken coloured plumage and from these come many household pets. As singing pets, mules are excellent and will become very tame and friendly with their owner. They also have an attractive range of song notes and their song will vary according to the kind of finch that their parents were. Because of their rather pretty colour arrangement Goldfinch mules are probably the most popular as pets as well as their song.

AMSTERDAM NIGHT

Well our Amsterdam Night on the 6th of June, was a pleasant evening. The Hall was turned into a replica of Amsterdam and the street cafes brought a real good atmosphere.

The evening was free for all members and friends. There was a good crowd on the dance floor who really enjoyed themselves with the music from the Courtiers. Later on in the evening our street organman and his offsider came in with the monkey and all to collect some money for the Social Committee Donation Fund.

Thanks goes to all volunteers who helped to make that night a success.

Thank you - your Social Committee

P.S. Hope that all members and friends come again to our ASIAN NIGHT. We are keeping the entry fee as low as possible. Music by the popular Stardusters.

Asian Snacks can be obtained from the kitchen.

See you all there.

This year is the year of the Disabled and the Handicapped. Much has been written in the past few months about their plights and how we can help. Let us be with them for a few moments:

Dear Father help me feel they presence
In every kind of way
As I sit here in my wheelchair
Every single day.

There must be a reason, that this has had to be
To make me think of others, still much worse than me.

I must be very lucky, for I can sit and see
The beauty of the garden, which the blind cannot see.

So Father as I sit here, I give my thanks to thee
For many of the blessings, which you bestow on me.

But dear Father I am blind, let no-one pity me
For I can hear sweet music, from the birds up in the tree

You have blessed me with a guide dog, he is my eyes to see
But the deaf they cannot hear.

Dear Father I am deaf, let no-one pity me
for I can walk along the seashore
I can see the clear blue sea.

I too can hear sweet music, through the gifts you
gave to man
To fit me with an hearing-aid, so I thank you all I can.

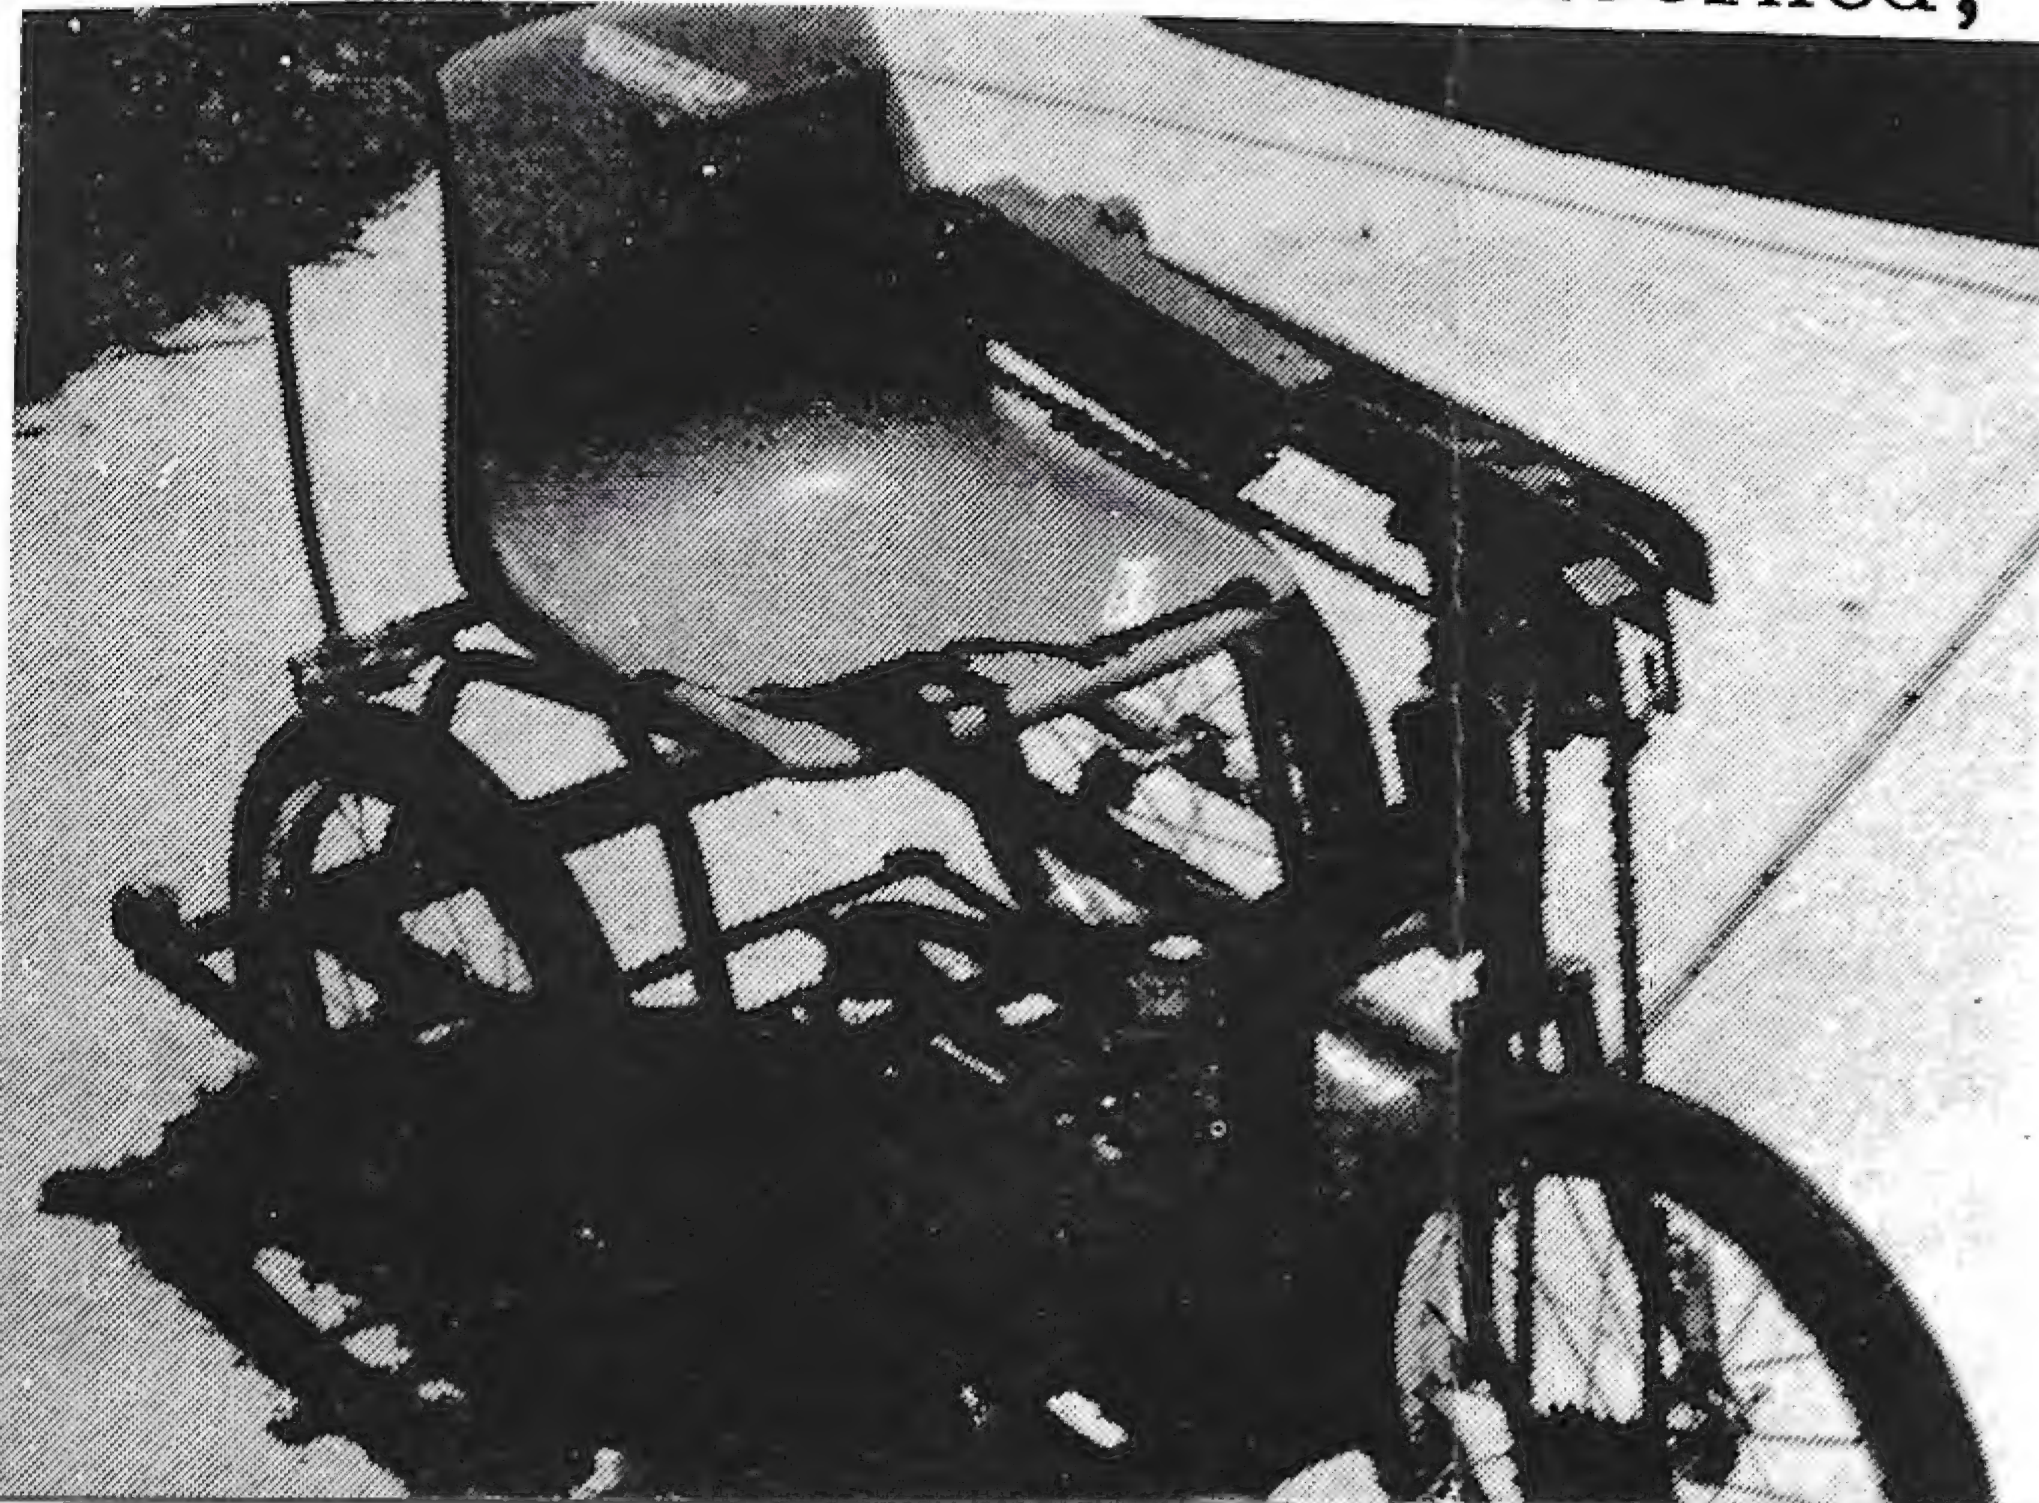

Dear Father I am healthy
I can walk and see and hear
So let me count my blessings
By giving help and cheer
Finding time to chat a while
Where there is need or fear
Dear Father, Bless and help us all.

Written by Mrs Hilda Rochester.

There are also those who were not so lucky at the time of their birth, so let us focus our attention to their needs for just a moment too:

A meeting was held quite far from earth
It was time for yet another birth
Said the angels to the Lord above
This special child will need much love
His progress may seem very slow
Accomplishment he may not show
And he will require extra care
From the folks he will meet downthere
He may not run or laugh or play
His thoughts may seem quite far away
In many ways he wont adapt
And he will be known as handicapped
So let us be careful where he is sent
We want his life to be content
Please Lord, find parents who
Will do a special job for you
They will not realise straight away
The leading role they are asked to play
But with this child sent from above
Comes stronger faith and richer love
And soon they will know the privilege given
In caring for this gift from heaven
Their precious charge, so meek and mild
Is heavens very special child.

This poem was sent to the Sunnyfield Association anonymously and they think of it as very special because asfar as they are concerned, it says it all.

VAN D.J.V.V.

Hier weer eens een berichtje van onze Club, die nog steeds goed vooruit gaat. Elke 14 dagen komen er nieuwe leden by. Wij hebben in de afgelopen weken een trip gemaakt naar Mandurah. Het weer was niet zoo erg mooi maar we hebben ons toch best geamuseerd. Ook hebben we een poos geleden de Nieuwe Bierbrouwerij bezocht, dat zeer intersant was. Onze voorzitter den Heer P. Koopman is met zijn vrouw op vacantie naar Holland, wij hopen dat zij samen een fijne tijd mogen hebben.

11 Juni zijn 14 leden van onze club, die indoorbal spelen, naar Mandurah geweest, om daar met een andere Club te spelen, dit waren Australise Pensioners, onze Clubleden hebben gewonnen en er een zeer gezellige dag doorgebracht. Nogmaals willen wij U mededeelen dat onze Clubdagen altijd zijn Donderdags na pensiondag, van 10.30 tot 3 uur.

Tot onze spijt moeten wij U mededeelen, dat na een zeer lange ziekte, de Heer W.V. Herwaarde overleden is. Onze sijmphantie gaat uit naar zijn vrouw en familie. Verder zijn er vier van onze leden ziek, den Heer Hener, den Heer Tichelaar, den Heer Paans en Meur. Brooks. Wij wensen hun allen een spoedig herstel.

Met vriendelijke groeten.

MRS. A. VILE

THAT BUSY BEE:

What a wonderful response there was to my call for helpers to give the Clubhouse a good going over.

To all those who so generously gave their time and ofcourse worked so hard on that Saturday that words really fail me to say thank you as well as they all deserve. I do however no longer believe in the adage that many hands make light work, it may have shortened each ones task, but it still was a lot of hard work.

Thank you all.

Teeny Cameron.

COUNTRY & WESTERN NIGHT

Op 13 Juni j.l. werd de jaarlijkse Country & Western Night gehouden, ge-organiseerd door de Ladies Auxiliary.

Er was een goede opkomst van leden en hun vrienden, de band "Phoenix" was geweldig en de "Country - Western Singer", Mike Guest, had de stemming er goed in. Er waren enorm veel prijzen voor de verloting, waardoor deze dan ook een groot succes was.

Langs deze weg willen we hartelijk dank zeggen aan allen die dit mogelijk hebben gemaakt.

Al met al een avond waar we met plezier op kunnen terugzien.

A.v.d.W.

KLAVERJAS CLUB NIEUWS

Zaterdag 27 Juni hielden wij onze kaartavond met een dansje na. Jammer genoeg was de opkomst weer niet naar verwachting. Om kwart over acht waren er in totaal 40 mensen verzameld in de grote zaal. Door het bestuur werd er toen besloten om in de lounge te kaarten. Met 9 tafels werd er verwoed gekaart om de prijzen. Na een half uurtje was het reuze gezellig en lekker warm ook nog. De meeste tafels kaarten nog een extra rondje om tijd te vullen.

Het dansen kwam niet veel van ook al omdat de helft van de kaarters naar huis gingen na het kaarten. Alhoewel het nog wel even gezellig was.

Hier onder de winnaars: -

No. 1 -	De Heer Schepemaker	met 5487 punten
No. 2 -	De Heer Verhoogt	met 5208 punten
No. 3 -	Mevr De Jong	met 5053 punten

Marsen prijs Mevr. Heumen. Booby prijs Mevr. Klerk.

Twee werklieden nemen hun schafttijd op het werk. Guus ziet dat Klaas zorgvuldig de haringkop bewaart.

- Klaas, wat doe je daarmee?
- Nou die bewaar ik. Die stuur ik op naar de universiteit. Mensen die koppen van haringen eten worden daar slim van.
- Zou ik daar ook slimmer van worden, vraagt Guus?
- Natuurlijk maar die kosten een gulden.
- Dat geeft niet en Guus peuzelt de haringkop naar binnen.

Onder het eten bedenkt hij zich en zegt:

- Voor die gulden had ik twee hele haringen kunnen kopen in de plaats van een enkele kop.
- Zie je wel, zegt Karel, je bent al slimmer geworden.

OLD TIME CABARET

This is a reminder for our coming Old Time Cabaret - sing-along night which will be held on the 25th July, 1981. As you have noticed your social committee is doing its utmost to make our evenings as pleasant and interesting as possible. But we need the support from all our members. You are invited to help and make this occasion a success by participating in the singing of refrains.

While you rest from your dancing you will be entertained. We ask you also to dress in a sort of old time costume. This does not have to be costly but with a bit of imagination you can create something appropriate. And together we can make this a very pleasant evening, long to be remembered.
